## Quote of the Day

"The rise of a free and self-governing Iraq will deny terrorists a base of operation, discredit their narrow ideology, and give momentum to reformers across the region. A free Iraq will be a decisive blow to terrorism at the heart of its power, and a victory for the civilized world and for the security of America. The will of Iraqis and our coalition is firm. We will not be deterred by violence and terror. We will stand together and ensure that the future of Iraq is a future of freedom."
